## 4. Booths

### 4.a. Types

#### Indoor:

Medium (10x10)

Large (10x20)

Extra Large (20x20)

#### Outdoor:

Medium (20x10)

Large (20x20)

Extra Large (20x40)

### 4.b. Booth Dimensions

The dimensions for booths are standardised and it is the Exhibitor's responsibility to plan for the space purchased appropriately. Displays and equipment larger than the purchased booth are not guaranteed to be accommodated. TRACCS will make all best efforts to cooperate with the Exhibitor, if possible without interfering with safety rules and regulations or other surrounding Exhibitors.

TRACCS does not guarantee the placement and exhibition of the Exhibitor's equipment if the Exhibitor fails to confirm the proper dimensions of the equipment, or fails to set up at the venue in accordance with the schedule provided.

The venue's maximum height clearance is 23 ft indoors, the doors' clearance is 20'.

TRACCS reserves the right to make changes to any and all dimensions of the booth, commensurate or in excess of the purchased amount of space, and the placement in the event layout.

### 4.b. Booth Details

#### Indoor booths

- All booths will have a black back curtain (8ft tall) and side curtains (3 ft tall)
- Furnishings included: one table, two chairs, and a wastebasket for each indoor booth *Medium* 10'x10', *Large* 10'x20' or *Extra Large* (20'x20')  
Additional furnishings can be sourced separately through our show decorator at your own expense. The space is not carpeted, and there is no requirement for you to do so. Further booth decoration is at the discretion of the exhibitor, provided this does not block the visibility of their neighbours. Halls will be carpeted in tuxedo grey.
- All indoor booths will include one power outlet behind the back wall.

Outdoor booths will be set up with a different provider.

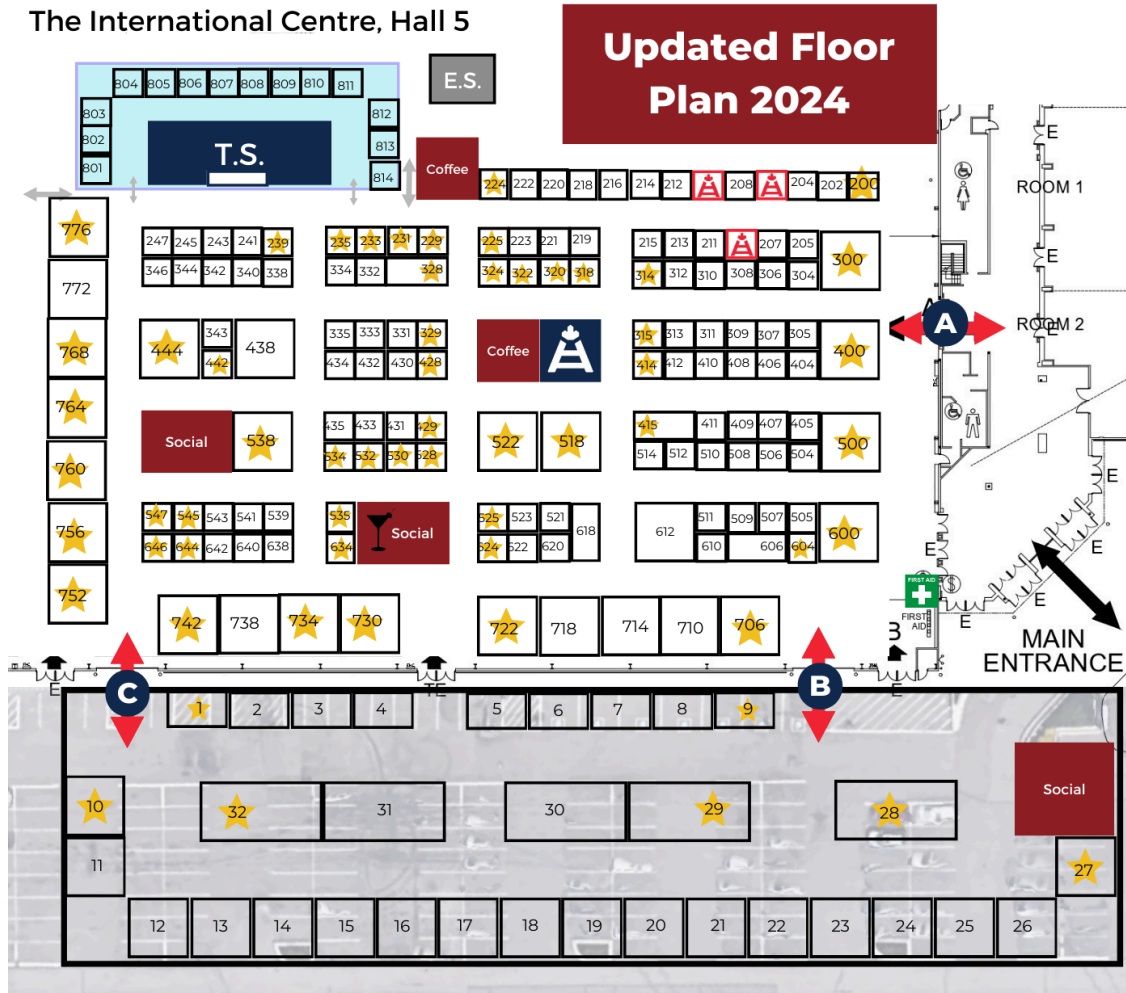

All **outdoor booths** will include a 10'x10' white canopy for shade, a 6 ft long table and two folding chairs. You may upgrade your tent requirements to 10x20 or 20x20 on TRACCS online store.

Power and water supply can be provided at additional expense. Please contact *Showtech* to place an order.

#### 4.c. Booth Layout

The image below represents the Updated Layout as of January 22nd, 2024.

TRACCS reserves the right to make any and all changes to the current layout in the interest of improving the overall experience for exhibitors and attendees.

#### 5. Third party vendors:

Please refer to the contact information of the vendors we work with, so you may arrange any specific needs directly with the service providers.

Examples of such services include:

- Show decorator
- Additional cleaning of your booth
- Package reception
- Material handling
- Additional power, internet, rigging,
- Optional Exhibitor Lead Retrieval

## **6. Set up and tear down - Safety, Schedule and Rules.**

### **IMPORTANT**

Safety procedures are to be followed, in compliance with government regulations and venue requirements at all times.

#### 6.a. Set up and Tear down

1. During Move-in and Move-out, closed shoes are mandatory, and children are not allowed.
2. For the *outdoor booth move-in and move-out* TRACCS will have a forklift available for rent. Its use must be previously reserved through our website. The costs for such rental services are in our online store.  
To guarantee this service will be available to the Exhibitor, their reservation must be made before June 7th, 2024, when available. For any service requested after that date, TRACCS will make best efforts to try to accommodate, but there will be no guarantee.
3. Clearance for loading docks to access the indoor hall is standard. The venue's maximum height clearance is 23 ft indoors, the doors' clearance is 20'. Any equipment larger than this will have to be displayed in the outdoors section of the event. If arrangements are not made ahead, TRACCS cannot guarantee the availability of additional space in the outdoors area and the Exhibitor will be liable.
4. Indoor Exhibitors may use the loading docks to bring their booth materials in and out. Third party contractors are not permitted in the hall. For material handling and setup services, you may refer to our vendors list.

#### 6.b. Notes on vehicles and equipment

1. Motor vehicles or gasoline-powered equipment on display must be equipped with lock-on type gasoline tank caps, and batteries are to be disconnected. Gasoline tanks must not be filled beyond the three-quarter ( $\frac{3}{4}$ ) mark in order to allow for expansion of product. Vehicles unable to be equipped with lock-on type caps must have caps sealed in a manner acceptable to the Fire Department.
2. Running of display vehicles during an event is prohibited unless approved by the Fire Department.
3. Events requiring vehicles to run as part of a demo, performance or contest must fuel the vehicles outdoors from approved safety containers.
4. Propane charged cylinders are not permitted on self-propelled vehicles or trailers on display inside buildings.
5. If at any time an Inspector deems that equipment is being operated by a client or its exhibitors in a manner dangerous to public safety, the privilege to operate such equipment will be cancelled.

#### 6.c. Notes on electrical regulations

1. Latex or lamp cord wire in displays is prohibited.
2. The use of two-wire ungrounded extension cords is prohibited.
3. Extension cords must be #14-gauge, three (3) wire grounded cords.
4. Extension cords or power bars used for portable lamps or appliances must be the appropriate size and type for the allowable amperage of such items.
5. Materials shall not be stored on or around any electrical equipment or connections of any kind.

## 6.d. Schedules

Move in: Monday June 17, 2024 (9 am - 9 pm)

- Exhibitors will be given a time window to arrive at the venue and conduct their set-up. The schedule will depend on their location on the floor.

Move Out: Thursday June 20, 2024 (1:30 pm - 11 pm)

- Exhibitors are not allowed to begin tearing down before 1:30 pm on Thursday June 20. Exhibitors who fail to respect the tear down times will not be given priority for exhibit space at the following trade show and may be fined by TRACCS for compromising the integrity of the show.
- No equipment or materials can be left on the premises after 11:30 pm. TRACCS is not responsible for equipment, materials, vehicles or merchandise left behind, and any disposal or removal charges will be the sole responsibility of the exhibitor, as will any penalty fees the venue charges TRACCS as a result.

## **7. Insurance**

All Exhibiting companies are required to provide, through insurance, certain minimum standards to cover its potential liability and property damage. A Certificate of Insurance is to be delivered to Trade Show Management before an Exhibitor can occupy the assigned exhibit space. The due date for the Certificate of Insurance is June 14th, 2024.

All companies must comply with the insurance requirements and supply proof of insurance.

All insurance must be separately and specifically endorsed so as to provide that The International Centre Mississauga, its officers, its employees and its agents, and TRACCS are named as additional insured as to all commercial general liability, commercial automobile liability, and umbrella liability insurance coverage provided under such policy or policies, and further agrees that such insurance as is designated hereunder shall be written for not less than the following limits:

### Commercial General Liability:

- \$2,000,000 general aggregate
- \$1,000,000 each occurrence limit

### Commercial Automobile Liability:

(if bringing any type of vehicle to display or set up display)

- \$1,000,000 combined single limit bodily injury and property damage or equivalent, including hired and non-owned auto liability

### Umbrella Liability:

- \$1,000,000 combined single limit bodily injury and property damage

Note: Any damages to the premises will be the sole responsibility of the exhibitor.

Examples: Oil spills, dents or scratches or cracks to the floor, etc. The venue performs an inspection prior to and immediately after the event, and documents with images are provided to the event organizer. TRACCS will not assume any responsibility for damages caused by the exhibitors or third parties.

## **8. Shipments Reception and Materials Handling**

TRACCS has facilitated the service for the reception of materials through the show decorator, as per industry standards. Conditions apply, and TRACCS will not be held responsible if they are not met.

Miscellaneous materials abandoned on the premises are not the responsibility of TRACCS. Equipment and packages left to be picked up must follow the rules established by the firm handling material reception and pick up at the venue on the stipulated time frames. Sizeable garbage left behind by exhibitors will have a removal and disposal cost to be calculated after the event. Materials abandoned will run disposal costs as well, and are the responsibility of the Exhibitor.

For more details, please contact the show decorator directly.

Outdoors Exhibitors must consult with the assigned vendor and/or TRACCS staff regarding materials reception and handling before making any arrangements.

## **9. Food and Beverage**

Outside food or beverages are not allowed.

Any sponsorship or marketing activation that includes food or beverages of any kind need to be approved by TRACCS and The International Centre Mississauga, and the only caterers allowed are the venue's in-house team.

## **10. Badges**

1. Each Booth type has an allocated amount of badges included in the value.  
Medium booths include 2 (two) exhibitor badges.  
Large and Extra Large booths include 4 (four) exhibitor badges.
2. Each additional badge requested will have a cost of \$15 (+tax) and can be purchased from our online store.
3. All the exhibitor's information must be submitted before May 21st, 2024, without exception.
4. Exhibitors are required to pick up their badges at the venue on Move-In day between 12 noon and 4 pm.

## **11. Payment terms:**

TRACCS requires payment be made within 30 days of purchase or the Friday before setup, June 14, 2024, whichever comes first.

## **12. Event Privacy Policy**

### 16.a Summary:

We are committed to safeguarding the privacy of our website visitors, email subscribers, event participants, and other stakeholders. TRACCS Rail Day 2024 is designed to foster community and industry connections. To further this goal, TRACCS holds the right to own and distribute ticket holder information (including paid or complimentary ticket holders) for TRACCS marketing purposes before and after the event. This may include sharing contact information of every participant with other attendees to encourage the

development of industry relationships and partnerships. It is understood that by agreeing to these terms and conditions, ticket holders are providing a legal release for their information to be included in the list distributed post-event. TRACCS assures that this information will not be sold to any third parties and will only be used in accordance with our marketing strategies to promote community engagement and future events.

Upon registration, participants will have the opportunity to opt-out of having their information shared for networking purposes. However, opting out may limit the full experience of community and partnership development opportunities offered by TRACCS Rail Day 2024.

16.b Full Privacy Policy:

For detailed information on how we handle and safeguard your personal data, and how you can exercise your privacy rights, please read our full privacy policy.

16.c Release of Information:

By agreeing to the terms and conditions of the TRACCS Rail Day 2024 Exhibitors Agreement, you consent to the release of ticket holder information, including your own, to other event participants post-event. This release is provided under the understanding that it will enable the fostering of industry connections and networking opportunities. This consent includes the collection, use, and disclosure of your information as detailed in the Event Privacy Policy.
